

## **Michigan Youth Groups to Host Community Briefings on Alcohol Issues**

As many as 19 youth groups across the state of Michigan have been chosen to host "Take It Back Community Briefings" on alcohol issues. These events are being sponsored by Michigan-based FACE: Resources, Action, and Training on Alcohol Issues as a national initiative.

Each group chosen will receive training tools from FACE to help identify issues in their community, and action planning tools to host a community event in early March to report out their findings to their communities.

Groups were required to apply to be a part of this national youth movement. More information about Take It Back, and the Community Briefings can be found by visiting [www.utakeitback.org](http://www.utakeitback.org). If we can be of any assistance to your group in participating in one of these events, contact MCRUD Coordinator Ken Dail at 800-968-4968, or [kend@preventionnetwork.org](mailto:kend@preventionnetwork.org).
