

Application for 2026 PFS Sub-Awards is Now Available!

As part of the Strategic Prevention Framework Partnership for Success grant / Michigan Partnership to Advance Coalitions project (PFS/MI-PAC), Prevention Network (PN) via its Coalition Training and Technical Assistance Program is offering sub-awards to coalitions to increase capacity for communities to identify and address tobacco, e-cigarettes, and marijuana issues. PN will disseminate sub-awards to six coalitions to increase the number and quality of prevention strategies or promotion of prevention messages used in communities. Projects will address behavioral health within the community around tobacco, e-cigarettes, or marijuana.
