## Hi Everyone,

March will be here before we know it, and with that comes Parenting Awareness Month. As we gear up, we're also preparing the **2026 PAM Local Activities Calendar** — and this is where we need your help. Local events are truly the heartbeat of PAM. Every year, partners across Michigan host activities that lift up parents, strengthen families, and keep caregivers connected. If you're planning anything for March — or even just mapping out ideas — we'd love to include it.

### Examples of activities we feature:

- Parent education workshops
- Family fun nights
- Community celebrations
- Library story times
- Support groups or resource events
- Virtual sessions
- Anything that benefits parents, caregivers, or children

### Why Your Activity Matters:

Your event helps:

- Highlight parenting across the lifespan
- Promote family well-being and prevention
- Share ideas communities can replicate
- Strengthen statewide parent networks
- Connect families to meaningful local events

This work has been going strong for nearly 30 years, and your contributions keep the momentum alive.

### How to Submit:

We have finalized the official online submission form! Before you submit, please gather this information:

- Event Name
- Location
- Date(s) & Time
- Cost (please note if the event is free)
- Event description
- Any contact info you want included in your listing
- Optional flyer or materials (email to **kaylee@preventionnetwork.org**)

Please submit your activity using the button below.

Events selected for promotion will appear on the PAM calendar within two weeks.

Thank you for continuing to show up for families. PAM only works because of partners like you.

Thank you,

Kaylee Singer, PAM Program Coordinator
